UPLAND LEX 90° UNIT GRAPHICS WORKSHEET
BANNER A

The visible size of the banner is 45 1/2" wide by 96" tall.
An additional 4" of material at the top is needed for the production process but will not be seen.
Extend the background to cover the additional 4" area or fill it with a solid color.
The full artwork should be 45 1/2" wide by 96" tall. Do not add bleed beyond these dimensions.
Keep all text or critical imagery 1/2" in from all edges.
Horizontal edges will be trimmed to color or vertical edges.
Extra fabric (added beyond the artwork) at the bottom will be folded over the back side and sewn to form a 2" pocket.
The pocket will be sewn with clear thread.
Avoid critical text or imagery on the stitch lines.
The production method is dye sublimation.
Standard fabric is soft knit.
Avoid very thin lines and small text.
1:1 scale
